

MIKE-O-CUT H₂O

■ PRODUCT DESCRIPTION

MIKE-O-CUT H₂O is a water soluble tapping and drilling. It provides excellent cooling and lubrication and is suitable replacement for solvent or oil based tapping fluids. This product works well in machine tools containing water soluble coolants. It will emulsify with the coolant without causing contamination.

- Water Soluble
- Extends Tap and Drill Life
- Leaves Soft Residue
- Improves Finish and Size

■ TYPICAL ANALYSIS

WEIGHT: 8.43 lbs/gal
SPECIFIC GRAVITY: 1.01
APPEARANCE: Blue Transparent Fluid
FLASH POINT: None
SOLUBILITY IN WATER: Complete
