

ASHBURN WAX STICK

■ PRODUCT DESCRIPTION

Ashburn Wax Stick is an innovative, multi-purpose lubricant which effectively removes heat and lubricates while withstanding tremendous pressures. It is often used as a replacement for tapping fluids and cutting oils. It is environmentally safe and is ideal for metal sawing, drilling, tapping, pipe threading, and as a cement form release agent.

- Safe for the Environment
- Greatly Extends Tap and Drill Life
- Unaffected by Heat From Friction
- Improves Finish and Size
- Clings to the Tool Will Not Run
