Surfactant Technology

Heavy Duty Degreaser

- Deep Cleaning, Penetrating Formula
- Rapidly Removes Heavy Grease and Oil
- Does Not Emulsify Oil
- Oils Quickly Float to Surface
- Water Based
- Alternative to Harsh Solvent Degreasers
- Low Temperature Degreaser

■ PRODUCT INFORMATION

ENVIRO-GREEN MAX is a fast acting, powerful, heavy-duty cleaner and degreaser. Formulated to a balanced blend of detergents, chelating agents, and builders to cut through any grease, dirt, soil, grime and then suspends the soil.

Use to degrease and clean automotive parts, oilfield equipment, machined parts, industrial machinery and other difficult-to-clean surfaces.

Heavy Duty Degreaser

■ **DIRECTIONS**

PARTS WASHERS: For use in low pressure and agitating lift parts washers. Foaming will occur with high-pressure washers. Dilute product from 1:10 to 1:30 with water depending upon the soil conditions.

HEAVY DUTY CLEANING: Dilute product from 1: 5 to 1:10 with water depending upon the soil conditions. For heavy soil, apply solution to the surface and allow to stand for 5 minutes to loosen soil. Rinse with water.

GENERAL CLEANING: Dilute product up to 1:20 to 1:50 with water. Spray, brush, or wipe solution onto surface to be cleaned. Wipe up solution with clean cloth or towel.

LIGHT CLEANING: Dilute product up to 1:100 with water. Spray, brush, or wipe solution onto surface to be cleaned. Wipe up solution with clean cloth or towel.
