## PRODUCT DESCRIPTION

GRINDING OIL CFO is a premium quality, transparent, light colored, heavy duty, chlorine free grinding fluid. Formulated with highly refined base stocks and active sulfur, this product offers excellent anti-weld properties, and forms effective boundary lubrication which reduces heat and extends wheel life. The additive system also provides anti-misting properties along with good surface finish on the workpiece.

Excellent for grinding, polishing, and other operations where a heavy duty oil is preferred.
