

Concentrated Cleaner Degreaser

Features & Benefits

- Non-Toxic • Concentrated
- Multi Purpose Cleaner
- Removes All Grease, Grime and Soil
- Phenol Free • Safe
- Biodegradable

For:

- Machinery • Floors
- Metallic Surfaces • Carpets
- Windows • Laundry
- Vinyl & Plastic • Walls
- Engine Degreasing
- Kitchen Equipment

PRODUCT DESCRIPTION

ENVIRO-GREEN is the safe alternative to the ever growing problem of toxic chemical use. This concentrated all purpose cleaner is the answer to all maintenance needs. Will not harm any surface not harmed by water. May be diluted up to 1 ounce per gallon. Formulated to a balanced blend of detergents, chelating agents, and builders to cut through any grease, dirt, soil, grime and then suspend soil. Excellent also as general purpose cleaner for walls and windows.

Ashburn ion-Z Surfactant Technology utilizes a unique combination of cationic and nonionic surfactants that work together to quickly penetrate, detach and lift soils and greases to leave surfaces clean and residue free. This product is non-hazardous, non-corrosive, and biodegradable.

This photo shows a side-by-side comparison of a test in which a 10% solution of product was poured onto a grease-coated metal plate. The plate was then rinsed with water. The result clearly shows the superiority of the ENVIRO-GREEN at separating and removing grease from a metal surface.

Concentrated Cleaner Degreaser

TYPICAL ANALYSIS

BOILING RANGE:	212+
COLOR:	Green
DETERGENCY:	Excellent
EVAPORATION RATE:	< 1
FLASH POINT:	N/A
FOAM STABILITY:	Excellent
ODOR:	Pleasant
FREEZE/THAW:	3 Cycles
HARD WATER TOLERANCE:	Excellent
RINSEABILITY:	Excellent
SHELF LIFE:	One Year +
SOAP CONTENT:	None
SOLUBILITY:	100%
SPECIFIC GRAVITY:	1.01
VAPOR DENSITY:	> 1
VAPOR PRESSURE:	20

DIRECTIONS

GENERAL CLEANING: Dilute product up to 1:50 with water. Spray, brush, or wipe solution onto surface to be cleaned. Wipe up solution with clean cloth or towel.

HEAVY DUTY CLEANING: Dilute product from 1: 5 to 1:10 with water depending upon the soil conditions. For heavy soil, apply solution to the surface and allow to stand for 5 minutes to loosen soil. Rinse with water.

AUTO SCRUBBERS: Dilute 1 to 4 ounces per gallon of water depending upon the soil conditions of the floor. Light Soil: Run machine to remove dirt. Heavy Soil: Apply solution to floor with machine. Allow to stand for 5 minutes to loosen soil. Vacuum up with water.
