**USE IN:** Bathrooms, kitchens, hospitals, restaurants, hotels, motels, correctional facilities, athletic facilities, beauty salons, public rest rooms and shower and bath areas.

**USE ON:** Washable, hard, non-porous surfaces of exterior surfaces of: appliances, floors, walls, other hard nonporous surfaces made of: glazed ceramic, metal, plastic, painted surfaces, finished woodwork.

## DIRECTIONS

**APPLICATION:** Use 4 ounces per gallon of water for a minimum contact time of 10 minutes in a single application. For disinfecting, remove gross filth and heavy soil deposits, then thoroughly wet surfaces. Versatile: Can be applied with a mop, sponge or cloth as well as soaking. Prepare a fresh solution daily or when use solution becomes visibly dirty. Rinsing is not necessary on floor surfaces unless floors are to be waxed or polished. For use in federally inspected meat and poultry plants as a floor and wall cleaner in all departments. Food products and packaging materials must be removed from the room or carefully protected. After use of this product, all surfaces in the area must be thoroughly rinsed with potable water.

**TO CLEAN AND DISINFECT TOILET BOWLS:** To clean, squeeze around the bowl and up under rim. Leave for 10 minutes or overnight if possible. Swab, then flush. Stubborn stains may require brushing. To disinfect, first remove or expel over the inner trap the residual bowl water prior to applying the use dilution. Use 4 ounces of concentrate per gallon and brush the bowl completely, making sure to get under the rim. Let air dry. Prepare a fresh solution for each use. Repeat application weekly or when growth reappears.

## TYPICAL ANALYSIS

Boiling Range.....	212
Color .....	Amber
