

# MIKE-O-THREAD SM-100

## FEATURES & BENEFITS

- Superior EP and lubricity additives
- Medium viscosity
- Excellent swarf removal
- Excellent finish
- Extends tool life and wheel life
- Chlorine free
- Superior anti-mist properties
- Superior rust protection
- For ferrous and nonferrous metals

## PRODUCT DESCRIPTION

**MIKE-O-THREAD SM-100** is a premium quality, heavy duty, cutting oil. Formulated with highly refined base stocks and extreme pressure additives, this product offers excellent anti-weld properties, and forms effective boundary lubrication which reduces heat and extends tool life. The additive system also provides anti-misting properties along with good surface finish on the work piece.

Excellent for use in screw machines and threading applications.

Use for milling, turning, drilling, grinding and other operations on ferrous and non-ferrous metals including brass and copper.

## TYPICAL ANALYSIS

WEIGHT: ..... 7.5 LB/ GL.

FLASH POINT:..... >300° F (COC Method)

VISCOSITY: ..... 100 SUS @ 100° F

APPEARANCE: ..... Dark Colored Oil

## PACKAGING

|            |              |
