

# FLOOR CARE

FLOOR CARE

Keeping floor surfaces clean and looking great.

Don't let dingy and dirty floors compromise your production environment and safety. Use ACTICARE™ floor products to remove the toughest dirt and grime and upgrade their appearance along the way.

## HIGH GLOSS FLOOR FINISH - 16-18% SOLIDS

An economical, versatile, all-in-one high gloss floor finish. Use it as a restorer. Forms clear tough coatings that resist water, soil and scuffing. Various maintenance methods may be used including dry buffing, low-speed spray buffing or high-speed buffing.

## PREMIUM HIGH GLOSS FLOOR FINISH - 20-22% SOLIDS

High solids, versatile all-in-one high gloss floor finish. Use it as a restorer. Forms clear tough coatings that resist water, soil and scuffing. Various maintenance methods may be used including dry buffing, low-speed spray buffing, high-speed buffing, or NO maintenance at all - just recoat from time to time.

## PLATINUM HIGH GLOSS FLOOR FINISH - 24-26% SOLIDS

Super solids, high gloss, all-in-one versatile floor finish. Provides the highest gloss and protection. Forms a clear tough coating that resist water, soil, and scuffing. Various maintenance methods may be used including dry buffing, low-speed spray buffing, high-speed buffing, or NO maintenance at all - just recoat from time to time.

## NO RINSE FLOOR STRIPPERS

An ultra powerful wax and finish stripper. Simply mop it down and mop it up. Excellent for automatic scrubbers. The formula works by "liquefying" waxes and finishes as opposed to simple emulsifying. In many cases, floors may be stripped without floor machines and stripping pads.

## NEUCLEAN LEMON - FLOOR CLEANER

All-purpose neutral pH cleaner for regular maintenance. Will not harm any surface not harmed by water. Formulated to cut through grease and grime and suspend soil. Leaves floors clean and sparkling with a fresh aroma while leaving wax and finishes unaffected.

## ENVIRO-GREEN CLEANER DEGREASER - CONCENTRATE

This concentrated all-purpose cleaner is the answer to all maintenance needs. Will not harm any surface not harmed by water. Formulated to cut through any grease, dirt, soil, grime and then suspend soil. Non-hazardous, non-corrosive and biodegradable.

## ECOKLEAN DEGREASER - CONCENTRATE

Powerful, industrial strength degreaser that powers through grease, oil and dirt and lifts it from the surface to leave a clean, residue-free finish. Can be used to replace harsh solvents.
