

HAND AND BODY CARE

HAND AND BODY CARE

Keeping people clean and safe.

Industry-leading ACTICARE™ sanitizer and hand, body and hair care products that clean and disinfect for greater personal safety and performance.

PEARLIZED LOTION HAND CLEANER - READY TO USE

Ready-to-use, liquid hand soap for general purpose cleaning. The thick rich lather quickly removes grease, grime, and soils without using harsh chemicals or abrasives. The pleasant cherry fragrance leaves hands smelling fresh and clean.

DISPENSER - FOR USE WITH PEARLIZED LOTION HAND CLEANER

Touchless dispensers automatically dispenses sanitizer or pearlized lotion hand cleaner when hands are detected under the unit. Large capacity (1,000 ml) reservoir. The large front window allows for easy monitoring of fill level.

HAND CLEANER WITH GRIT

A concentrated hand cleaner that conditions hands while cleaning with a gentle scrubbing action. Uses ground walnut shells as an alternative to pumice. Removes grease, grime, oil, tar, ink, paint, moly, asphalt, carbon, putty, adhesives and other soils. Leaves hands smooth and smelling fresh.

HAIR AND BODY SOAP

A rich luxurious, thick, foaming hair and body soap for the bathroom and shower. This shower soap and shampoo contains emollients that leave the hair and skin clean and hydrated, without being stripped of natural oils. This product is aggressive to dirt and perspiration, yet gentle to the skin.
