

HARD SURFACE CLEANERS

HARD SURFACE CLEANERS

Keeping facilities clean and safe.

Industry-leading ACTICARE™ products and services that clean, disinfect and sanitize facilities and vehicles to keep your production protected and at its peak.

ENVIRO-GREEN ALL-PURPOSE CLEANER - AEROSOL

An all-purpose cleaner for regular maintenance. Can be used in many different areas ranging from kitchen to engine degreasing.

GLASS CLEANER - AEROSOL

A combination of emulsifiers and surfactants that give quick, one-step cleaning on all glass surfaces. Cleans without streaking.

CLEANER DEGREASER NON-FLAMMABLE - AEROSOL

Highly concentrated, non-flammable solvent designed to remove dirt, grease, oil and grime from metallic and non-metallic surfaces.

FOAMING GERMICIDAL CLEANER AQD* - AEROSOL

Formulated to disinfect inanimate hard non-porous surfaces. Deodorizes areas which are prone to odors.

HOSPITAL SPRAY DISINFECTANT ASQD - AEROSOL

An EPA registered disinfectant, deodorant and air sanitizer with a quaternary disinfectant for quick effective germicidal action.

HOSPITAL DISINFECTANT DEODORANT PD* - AEROSOL

A surface disinfectant and deodorant. Controls mildew. Deodorizes areas where foul odors are present.

NON-ACID DISINFECTANT CLEANER* - READY TO USE

A ready-to-use disinfectant, cleaner, fungicidal, mildewstat, virucide and deodorizer.

PERDROX™ SANITIZER DISINFECTANT CLEANER - RTU

A ready-to-use peracetic acid spray for cleaning, deodorizing, sanitizing and disinfecting all types of surfaces including food contact surfaces.

ENVIRO-GREEN CLEANER DEGREASER - CONCENTRATE

Formulated to cut through any grease, dirt, soil, grime and then suspend soil. Non-hazardous, non-corrosive and biodegradable.

GLASS CLEANER - READY TO USE

Formulated to quickly cut through grease and grime for fast, easy cleaning. Leaves no residue. Does not streak!

CLINGING BOWL CLEANER - READY TO USE

Clinging phosphoric acid tub and tile cleaner. Removes stains, scale, hard water deposits and soap scum.

TUB & TILE DEFILMER - WITH TRIGGER SPRAYER

An acid and solvent-based tub and tile cleaner to cut soap scum and scale off all tile surfaces.

MICROCLOUD™ SYSTEM - MOBILE SANITIZATION UNIT

Innovative industrial sanitization equipment designed to rapidly disinfect facilities. Economically designed to provide you with your own in-house service on demand.

MICROCLOUD™ LITE - HANDHELD SANITIZATION UNIT

This portable, handheld, ultra-low volume (ULV) unit is designed for convenient disinfecting, allowing you to spray target surfaces more thoroughly than other cleaning practices.

* Listed on EPA List N: Disinfectants for use against SARS-CoV-2, the virus that causes COVID-19.
