

# GO BEYOND.

## PROTECT YOUR PRODUCTION.

Ashburn Chemical Technologies brings advanced fluid products and services to industrial manufacturing companies to cost-effectively protect operational production, product quality, tooling, machinery, the operator environment and your satisfaction.

**FLUID360**<sup>TM</sup>  
SOLUTIONS

# GO BEYOND.

## Why Choose ASHBURN?

### CREATE A PRODUCTION EDGE

Increase tool life, grow operational efficiency, minimize downtime, get the job done faster and more predictably.

### PROTECT THE BUSINESS

Have cleaner machine tools, sumps and workspaces, increase operator safety and meet regulatory requirements.

### GROW CUSTOMER SATISFACTION AND LOYALTY

Produce and deliver a higher quality product, more quickly and cost effectively than ever before.

### HAVE A SMARTER OPERATING ENVIRONMENT

Better decisions based on information, analytics and insight designed to drive performance and safety.

Chemistry Innovation	Metal Cutting Fluids	Metal Cleaning Products	Metal Protection Products
